Soup Kitchen Hours of operation:
Saturday, 10am-12noon
Wednesday, 12noon

State Tabernacle, in the spirit of love, serves dozens in the community and those in need of a hot meal. The number of people served continues to grow and include not only individuals but entire families. It is set apart from many other soup kitchens in that we offer breakfast meal on Saturday when most other serve lunch.

State Tabernacle partners with WNY food bank and generous donors to bring this much needed service to a community with high unemployment, low income families and a growing homeless population.

We are expanding. Various individuals, ministries or auxiliary of the church assist in operation of the soup kitchen.
