Serves Ages 18-40

**Focus:** This ministry will serve the women of State Tabernacle from the ages of 18 – 40. The ministry focus will be the development of women in this age group on all levels: Natural, Physical, Emotionally, Socially, and Spiritually.

**Mission Statement:** Women of purpose moving in the will of God-Looking beyond ourselves; Appreciating every woman's worth; Growing stronger as we link together to restore brokenness in our homes and community as well as our individual lives.

**Objectives/Goals:** *We will adopt and expand upon the objectives of the YWCC (Young Women Christian Council) according to the Int'l handbook.*

**Local Uniform:** Black dress with purple flower

Our primary purpose is to empower women to dedicate themselves to greater Christian Service. Because of the wide age span we have formed two chapters as noted above. In addition to spiritual growth and development, this organization addresses the concerns of young women which include finding a mate, home building, decorating, meal planning, parenting, child care and development, understanding teenagers, marital concerns, and etc.. The YWCC explores the Christian approach to these and other life issues.
